

13th STREET

WELCOME TO THE Lincoln North Pole

- 1 This season your heart will be *full*, as Tower Square has been transformed into the *North Pole*.
- 2 Grab a token, write your name, then drop it in. See which side fills up Santa's *Naughty* or *Nice* bin.
- 3 Whether you're walking through or taking a ride, don't miss these *furry friends*, who are all by Santa's side.
- 4 Fill out a *letter* to Santa and the Mrs., and let them know your greatest *wishes*. Once you're done, drop it in the mail. Then enjoy Candy Cane Lane's beauty along the trail
- 5 Stroll through the Community Village & get ready to *shop small*. Our local businesses are the greatest of all!
- 6 Take a *picture* to remind you and your best, of all the fun you've had on Santa's great quest.
- 7 They used to be placed around Downtown in array, but now all *12 days* are here on display.
